

DEPARTMENT OF THE AIR FORCE
AIR FORCE SECURITY ASSISTANCE TRAINING SQUADRON (AETC)

MEMORANDUM FOR SEE DISTRIBUTION

15 October 2014

FROM: AFSAT/DO

SUBJECT: Air Force Course Cancellation/Forfeiture Policy for FY15

1. In accordance with JSCET, para. 6-32, Forfeiture charges and adjustments: in order to avoid forfeiture charges training must be cancelled at least 60 days prior to the course start date and 180 days prior for all flying training. Training dates are provided to the Security Cooperation Organization in the STL or by message. The training dates are considered acceptable unless the Security Cooperation Organization requests a change.

2. The following is a list of courses identified by the USAF as meeting the forfeiture charge requirements as listed in the JSCET, Para 6-3.

a. For certain contractor-supported and dedicated (International students only) courses, a forfeiture charge of up to 100 per cent (100%) will be assessed for cancellation of a confirmed quota unless the quota is filled by another international student.

b. A quota is considered to be "confirmed" after actual class dates have been loaded into the DSAMS database and appear in TMS or the SAN Web with the training track line status of confirmed. Acceptance of the confirmed quota is assumed once it resides in the country STL for at least 30 days, or sooner if accepted by the country via e-mail.

c. Up to 100% fee will apply to the following USAF flying training courses for cancellation of a confirmed quota, if cancelled within the 180-day window:

3. USAF Sequential Pipeline Training Courses: For students already attending training within a schedule training pipeline, there will be a 50% charge for all confirmed training cancelled or rescheduled with less than 60 days notification unless the training is reallocated and filled by another student. The cancellation policy will be applied to all confirmed training within and outside the 60-day window if the training is part of a sequential pipeline that a student would attend as part of a complete course curriculum.

4. Courses not identified in this message will be assessed the standard 50% charge if cancelled without 60 days notification. This message supersedes previous messages.
