Course Description:

*** THIS COURSE IS A PREPREGUISITE FOR P121855, LIGHT ARMORED VEH OFF/SNCO, M10H3W2.***

To provide advanced infantry skill training for officers in preparation for duties as platoon commanders of rifle, weapons, anti-armor, heavy machine gun and mortar platoons within the infantry battalion. Also prepares officer students to assume duties as commanders of reconnaissance platoons within the reconnaissance battalion and provides employment considerations for light armored infantry platoons within the light armored infantry battalion. Performance-oriented instruction to teach, explain, and apply maneuver warfare tactics that relate directly to company and battalion level MAGTF combat operations. Includes instruction on intelligence, advanced infantry tactics, fire support, assault combat engineering, infantry weapons, communications, aviation and close combat. Field exercises, field firing exercises, and tactical decision-making scenarios are used to reinforce classroom instruction.
