Summary: The International Affairs (IA) Certification and Career Development Implementation Plan provides for career development and a standardized certification program for DoN/USCG civilian and military employees working in a variety of assignments in the IA field. Reference (a) describes the three levels of IA certification and encourages IMSOs to take advantage of this professional development opportunity. Reference (b) provides the current DoN/USCG IA Certification and Career Development Plan. As briefed at the Dec 06 Navy IMSO Workshop, NETSAFA has funds available for IMSOs needing training or desiring training in pursuit of International Affairs (IA) certification.

Action: IMSOs are highly encouraged to take advantage of the funds available for their professional development and career enhancement. Please forward your training requests to Janie Glover at NETSAFA via email at Janie.glover@navy.mil or fax to 850-452-2953/3744 (commercial)/922-2953/3744 (DSN).
